summer school 2015, application
(4cp WF)

Building on the successful events the last years, the Department of Architecture will align another summer school in 2015 from the 20/07 - 31/07/2015 on the subject of ‚sufficiency strategies in urban architecture‘. Masterstudents and graduates in architecture, civil engineering and graduate school ESE (TU Darmstadt) and architecture-affine programs have the possibility to apply for a limited number of participants places until the

05/06/2015

Please send your application documents consisting of a letter of motivation (DINA4, 1 page) to the below listed address of the Unit ‘Design and Sustainable Building‘ at TU Darmstadt.
